## Branch Officer Nominations 2025

to be returned by **Wednesday 7th January 2026 midday**

Anyone thinking of standing or nominating someone for an officer position (or voting for them for that matter) should pay close attention to the following:

### Nomination

The nominee must be a Full member of UNISON and must have been in membership for 13 weeks and not be in arrears of subscriptions.

Nominees for Assistant Branch Secretary must have the support of two members within the relevant sub-division. There will not be time to write to nominees between close of nomination and the start of ballot to confirm that they are willing to stand. Therefore candidates must accept (sign) the nomination form below to confirm their willingness to stand.

Nomination forms should be returned to the Branch Office by midday on **Wednesday 7th January 2026** midday.

In the interest of impartiality, the Branch Office will not be able to provide any information or assistance to any candidate in connection with these elections.

If there is an election

Ballot papers go out **Wednesday 28th January 2026**  
Ballot closes **Wednesday 25th February 2026**

The results of all elections (contested and uncontested) will be announced at the AGM.

### Campaigning

All candidates are encouraged to submit an election address of up to 200 words before the closing date **Wednesday 25th February 2026** midday.

Factual details of their UNISON experience (offices held, Committee memberships with dates) can be added and will be additional to the 200 words. In order that all members of the Branch are able to compete on as equal a footing as possible from largest office to smallest school or residential home this will be the **ONLY** campaigning material to be circulated during the balloting period.

This is in line with UNISON rules for elections to National and Regional positions.
